New high school, New life

👁 22 ✓ 1 ★ 2

Chapter 1 by Jakelin Quinonez

Once there was a girl named Takamura. Takamura was moving homes. Which meant new friends, new school, NEW HOME. Takamura was very very sad for moving. She was going to miss her friends, her school, and her HOME.

Chapter 2 by ForbiddenMoonlight

See, her home was very important. The holder of so many memories, of legacies, of families, of everything Takamura was. Her friends had offered sympathies, had said it would be so bad...

But really, Takamura thought that her friends were glad to be rid of her. That her school didn't notice her absence.

But her house. It wasn't any house, it was old, ancient, full of spiderwebbing tunnels and secret passageways. They had entertained Takamura for hours, and all her boyfriends as well.

But no other person truly seemed to care about her.

This new place was an apartment. The stark contrast so rigid in her mind. Takamura had decided she wouldn't like it there. So she wouldn't. End of story.
